

# **Cribari Memorial Bridge Project Advisory Committee (PAC) Meeting #3**

**CTDOT State Project # 158-214**

**November 28, 2018**

# CRIBARI MEMORIAL BRIDGE

## Meeting Agenda

- Welcome & Introductions
- Ground Rules & PAC Role Refresher
- PAC Meeting Purpose
- NEW Binder Contents
- What We've Heard
- On-Alignment Alternatives
  - Presentation & PAC Workshop
    - Rehabilitation
    - Replacement
      - With detour
      - With temporary bridge
- Next PAC Meeting

# CRIBARI MEMORIAL BRIDGE

## Ground Rules Refresher

### *Meetings will*

- Start and end on time
- Focus on input from PAC members
- Showcase diverse perspectives

### *PAC members will*

- Be courteous and respect all opinions. Rude behavior will not be tolerated
- Have one speaker at a time
- Provide honest input
- Respect recommendations discussed at previous meetings
- Review materials provided in advance

***Purpose: Information Exchange***

# What Is Our Purpose Tonight?

To develop Cribari Bridge alternatives per the NEPA process, soliciting PAC input.

## NEW Binder materials

- PAC member contacts updated:
  - Added emails
  - New members added
- Meeting #2 summary
- Meeting #2 presentation
- Draft Concepts

# What You Have Told Us

## Feedback on Existing Conditions & No-build Alternative

- Accommodate emergency vehicles
- Improve navigation and marine travel
- Keep historic bridge character and trusses
- Reduce bridge maintenance closures
- Limit truck traffic

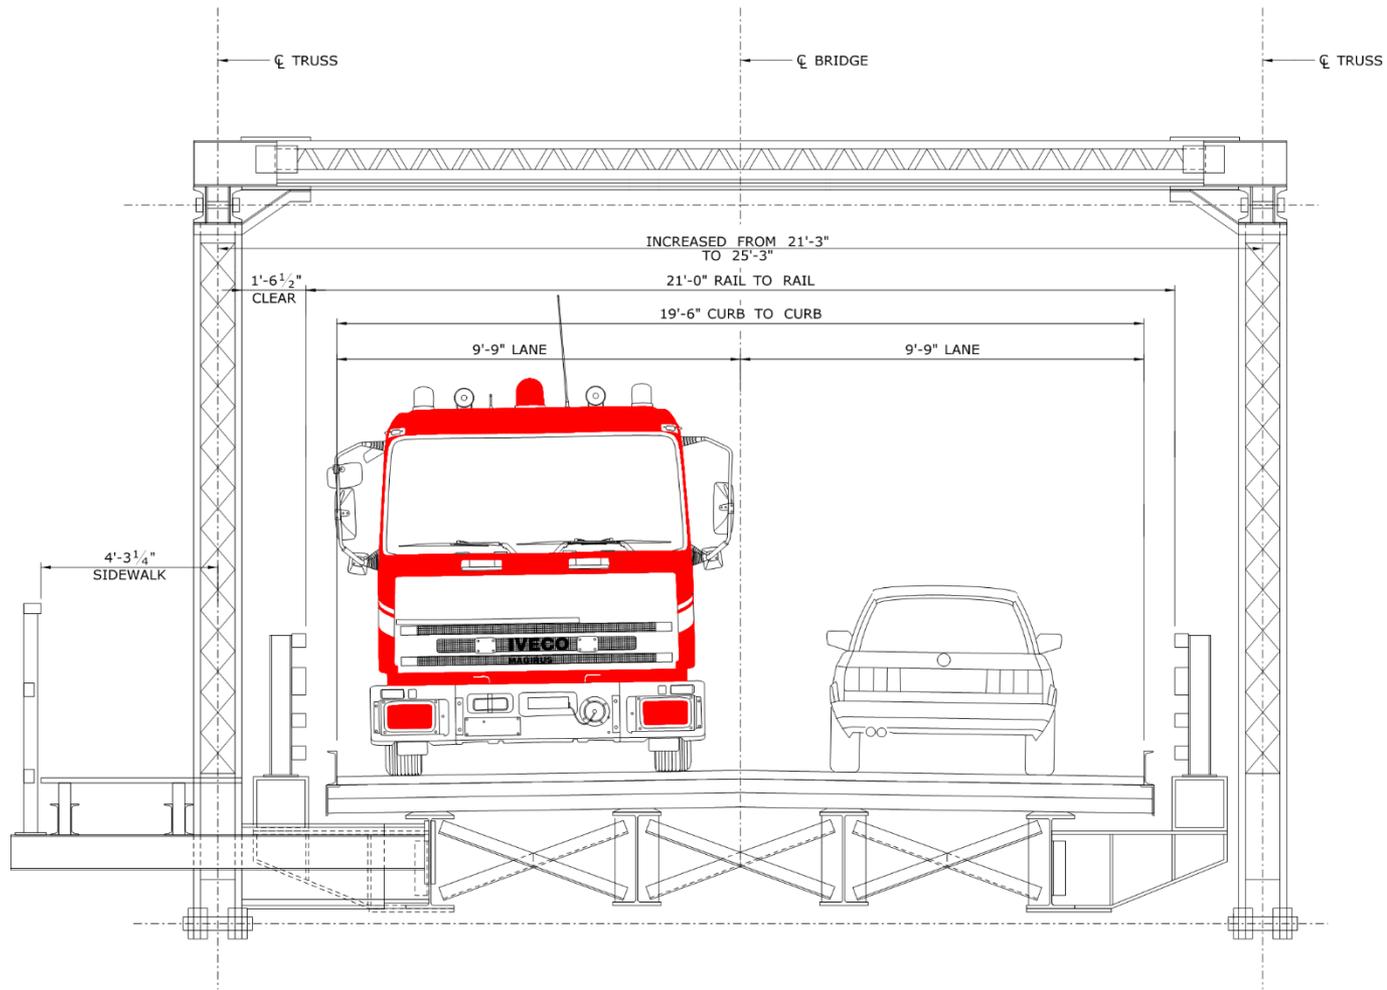

# To Discuss Tonight

**To review on-alignment alternatives and discuss issues and impacts**

1. Rehabilitation
2. New Bridge with detour during construction
3. New Bridge with temporary bridge during construction

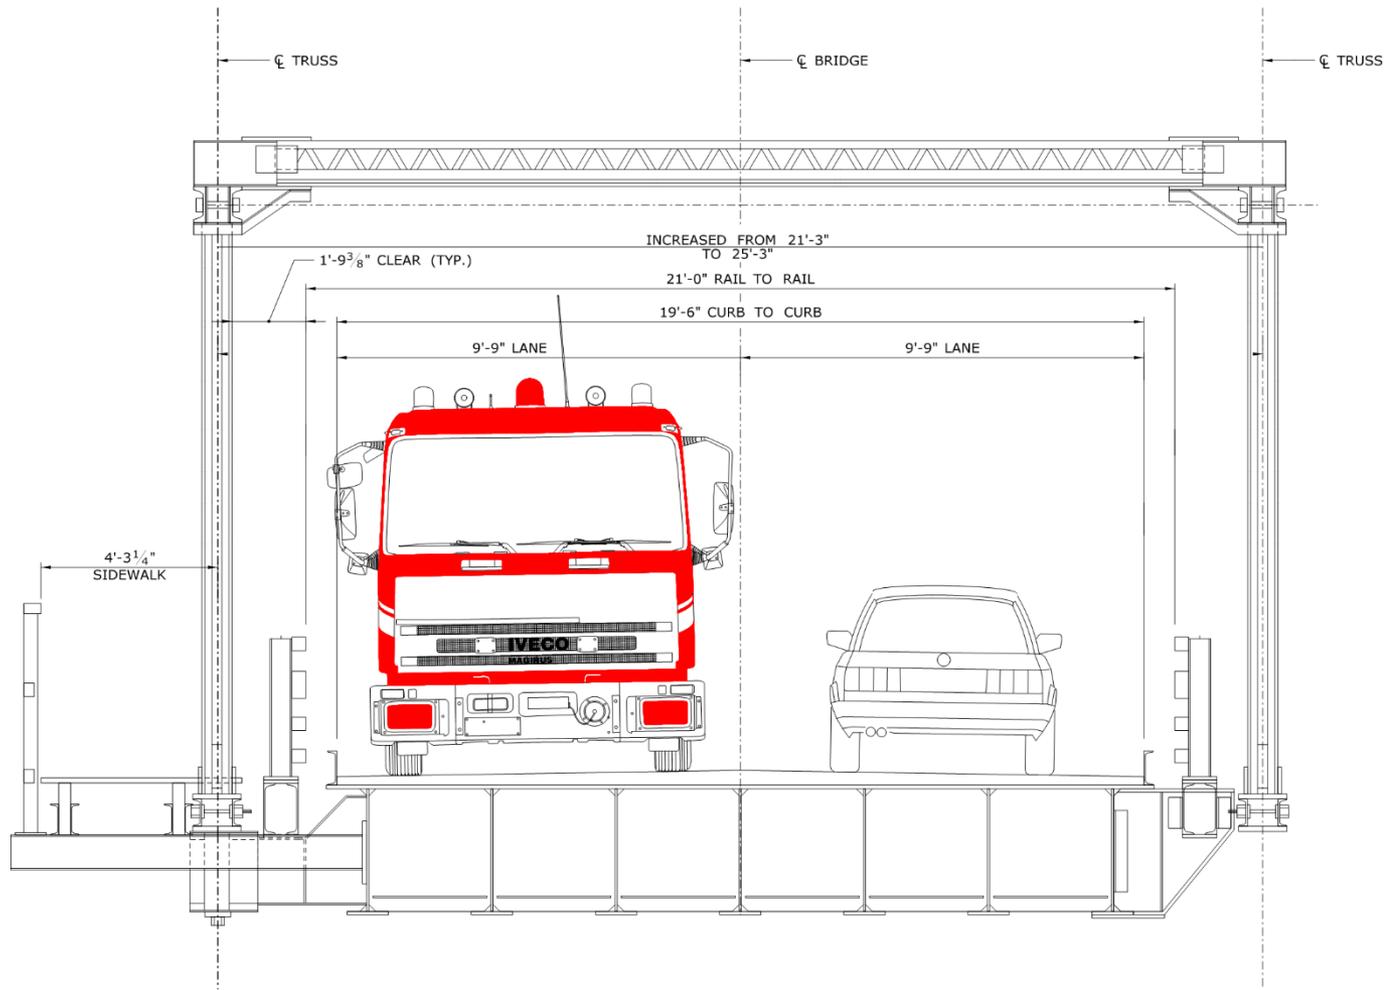

Draft Concept  
For PAC Discussion

**APPROACH SPAN SECTION**  
**BRIDGE REHABILITATION CONCEPT**
